

# Strategic Plan

2019-2021

# The Process

In January 2019, the CAAHEP Board met with liaisons and staff to create the following 2019-2021 Strategic Plan. While some action steps are not finalized and assignments have not been confirmed, the Goals have been agreed upon.

Here are the steps the Board took in developing this Strategic Plan.

# Mission

To provide quality assurance in health sciences and health professions education by setting Standards for program accreditation and evaluating program performance.

# Vision

To be the innovative leader for the accreditation of health sciences and health professions education.

**Integrity**

**Collaboration**

**Accountability**

**Consensus**

# Values

# Goal #1

## Action Steps

Achieve greater efficiency and consistency in the application of CAAHEP Standards, policies and procedures.

Develop optimal template that balances the need for standardization and consistency with the desire for innovation.

Proactive Standards Committee involvement during CoA Standards development and/or revision.

Implement a review process as Standards Interpretation Guides are developed.

Complete and implement technology to standardize accreditation process review tools (i.e., annual report, etc.).

After implementation, assess the effectiveness of the action items (operations).

Generate analysis report (trends in citations; RRC's questions to CoAs).

# Goal #2

## Strengthen the relationship with and support of the CoAs.

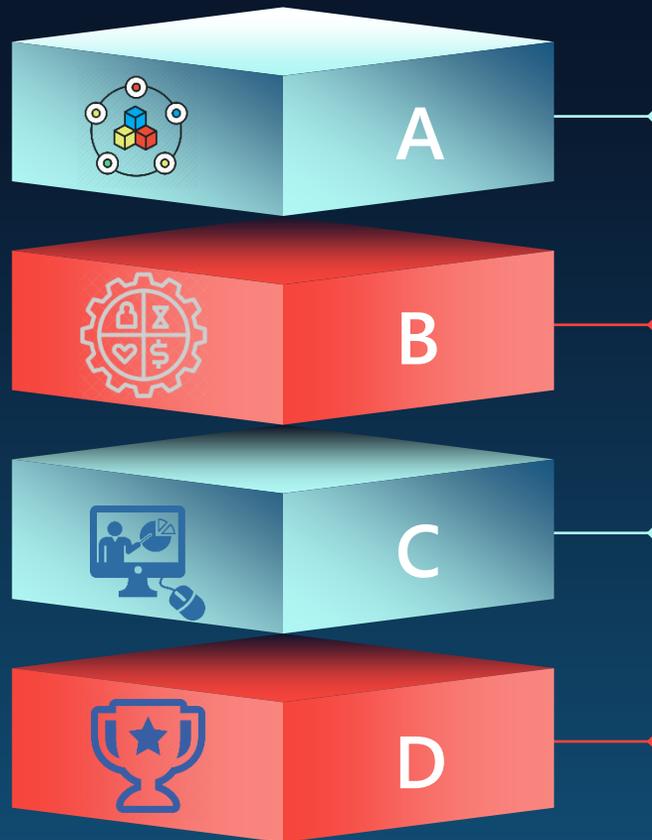

CAAHEP currently has 25 CoAs supporting 32 professions. Some CoAs have a one-person staff to manage activities and some just a half-time staff person, while others have multiple staff members, and several CoAs have only the volunteers to lead the CoAs activities.

**68%**  
of CoAs have  
at least one  
half-time staff  
member

**32%**  
Of CoAs have  
only a volunteer  
leader

### Action Step #1

Establish the infrastructure to support new CoAs.

### Action Step #2

Develop and refine resources and services to support CoAs.

### Action Step #3

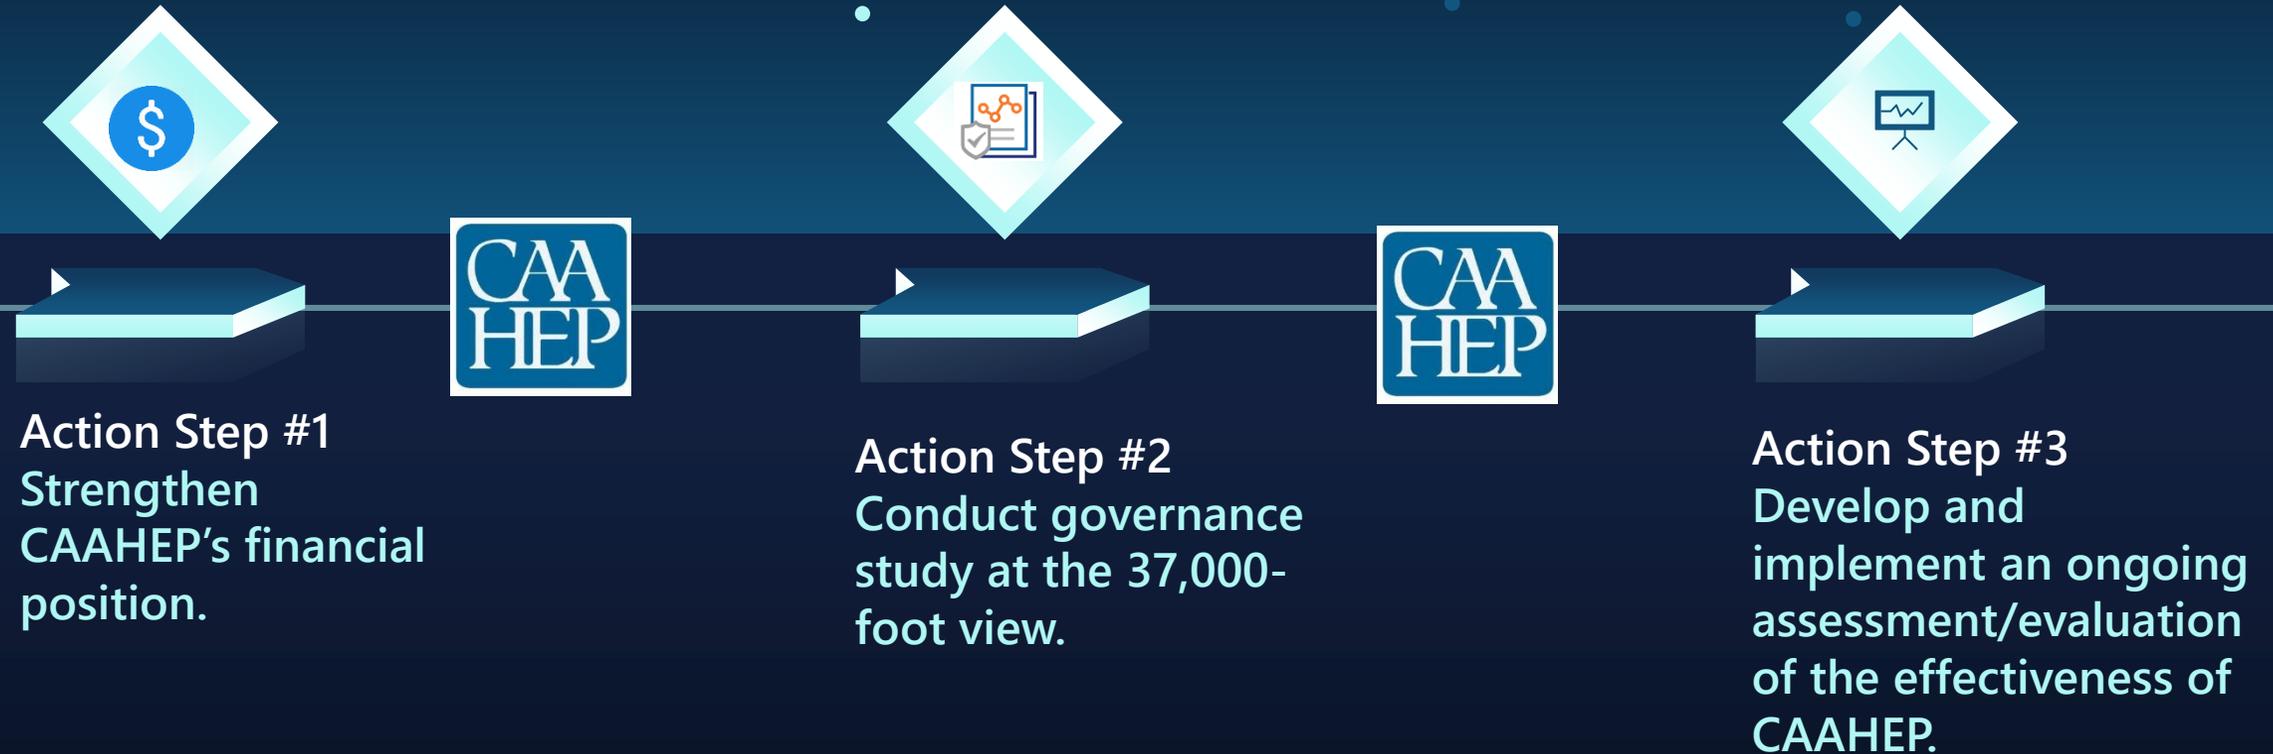

Develop enhanced education and training for Board Members, Liaisons, and Program Directors.

### Action Step #4

Recognize contributions of CoAs.

# Goal #3

Build an efficient and sustainable structure

# Goal #4

Recognizing existing and innovative educational delivery models

Innovation is in the new CHEA requirements and CAAHEP needs to be sure we address innovation accordingly.

## Action Steps

Technology Models

International Programs

Career Pathways / Credentialing Stacking

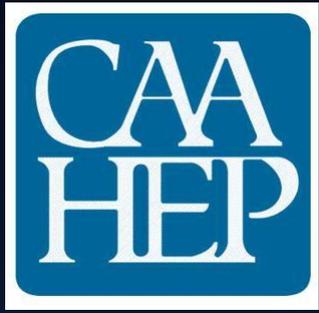

Innovation, as needed

# What's Next?

Looking forward to the  
next 25 years!
