

# Commission on Accreditation of Allied Health Education Programs

Each profession in the Commission on Accreditation of Allied Health Education Programs (CAAHEP) system has a Committee on Accreditation (CoA) that consists of experts in the profession that are responsible for reviewing programs and making appropriate recommendations for accreditation to CAAHEP. CAAHEP reviews recommendations received from its CoAs in each profession, assures due process was followed, and takes final action on an accreditation status.

CAAHEP took the following actions at its September 1, 2021 meeting. Actions are identified by profession, action taken, and date of the next comprehensive evaluation. In some cases, the concentration and/or degree are also specified.

**The following programs were found to be in compliance with the accreditation Standards and Guidelines and were granted continuing accreditation, with the next comprehensive evaluation to occur no later than 2021. These actions require no progress report and were approved on the consent agenda.**

#### Diagnostic Medical Sonography

Valencia College, Orlando, FL (Abdominal-Extended)  
Orange Coast College , Costa Mesa, CA (Abdominal-Extended)  
Pennsylvania College of Health Sciences, Lancaster, PA (Abdominal-Extended)
