

3/16/2018 Accreditation Actions

Each profession in the Commission on Accreditation of Allied Health Education Programs (CAAHEP) system has a Committee on Accreditation (CoA) that consists of experts in the profession that are responsible for reviewing programs and making appropriate recommendations for accreditation to CAAHEP. CAAHEP reviews recommendations received from its CoAs in each profession, assures due process was followed, and takes final action on an accreditation status.

CAAHEP took the following actions at its 3/16/2018 meeting. Actions are identified by profession, action taken, and date of the next comprehensive evaluation. In some cases, the concentration and/or degree are also specified.

The following program was found to be in compliance with the accreditation Standards and Guidelines and was granted continuing accreditation, with the next comprehensive evaluation to occur no later than 2018. This action requires no progress report and was approved on the consent agenda.
