

# Anesthesiologist Assistant Employer Survey

## Anesthesiologist Assistant Employer Survey

The minimum expectation of an Anesthesiologist Assistant education program is to prepare competent entry-level Anesthesiologist Assistants in the cognitive(knowledge), psychomotor (skills), and affective (behavior) learning domains.

Periodically the Program must assess its effectiveness in achieving its stated goals and learning domains. The results are then reflected in the review and timely revision of the Program. One of the tools to assess effectiveness of the Program is through the Employer survey.

Thank you for sharing with us a few minutes of your time and your feedback on the educational process.

Your name and the graduate name are requested below for tracking purposes; however, you can choose to remain anonymous.

### **1. Name of Graduate and Length of Employment at time of this survey.**

Name of Graduate:

Years:

Month(s):

# Anesthesiologist Assistant Employer Survey

## I. Knowledge Base (Cognitive Domain)

Consider each item separately and rate each item independently of all others. Mark the rating that indicates the extent to which you agree with each statement. Please do not skip any rating. If you do not know about a particular area, mark N/A.

### 2. The Graduate...

	Strongly Agree	Generally Agree	Neutral (Acceptable)	Generally Disagree	Strongly Disagree	N/A
A. Has the anesthesia knowledge necessary to function in a healthcare setting.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
B. Has the general medical knowledge necessary to function in a healthcare setting.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C. Is able to collect data from charts and patients.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
D. Is able to interpret patient data.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
E. Is able to perform appropriate anesthetic and/or invasive line procedures.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
F. Demonstrates use of sound judgment while functioning in a healthcare setting.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
